

## Instant Coffee Indian Way

### Ingredients:

Instant Coffee – 1 tsp per serving

Milk – 3/4 cup

Sugar – to taste

Water – few drops or as needed

### Method:

1. In a coffee cup or mug, add Instant Coffee and Sugar.
2. Add few drops of water at a time to make the coffee/sugar mixture into a thick paste.
3. With a spoon, keep whipping the mixture until it becomes light and frothy (it should cling to the spoon).
4. Add very hot milk and mix through.
5. Transfer the coffee from one cup to another (at some height) until bubbles form.
6. Serve immediately.
